Standards Committee

Standards Committee

- **Chair:** Nandita Narla
- **Next Meeting:** TBD
- **Membership:** **Open for 2025**
- **2024 Agenda:**
 - Finalize Design Assurance Standard

Standards

Design Process Standard

Scope: an organization's design process (for products, services, and business processes)

Published: January 2023

Structure: two organizational prerequisites (risk model and governance) and six design process components

Design Assurance Standard

Scope: an organization's product, service, or business process

Published: January 2025 (pending)

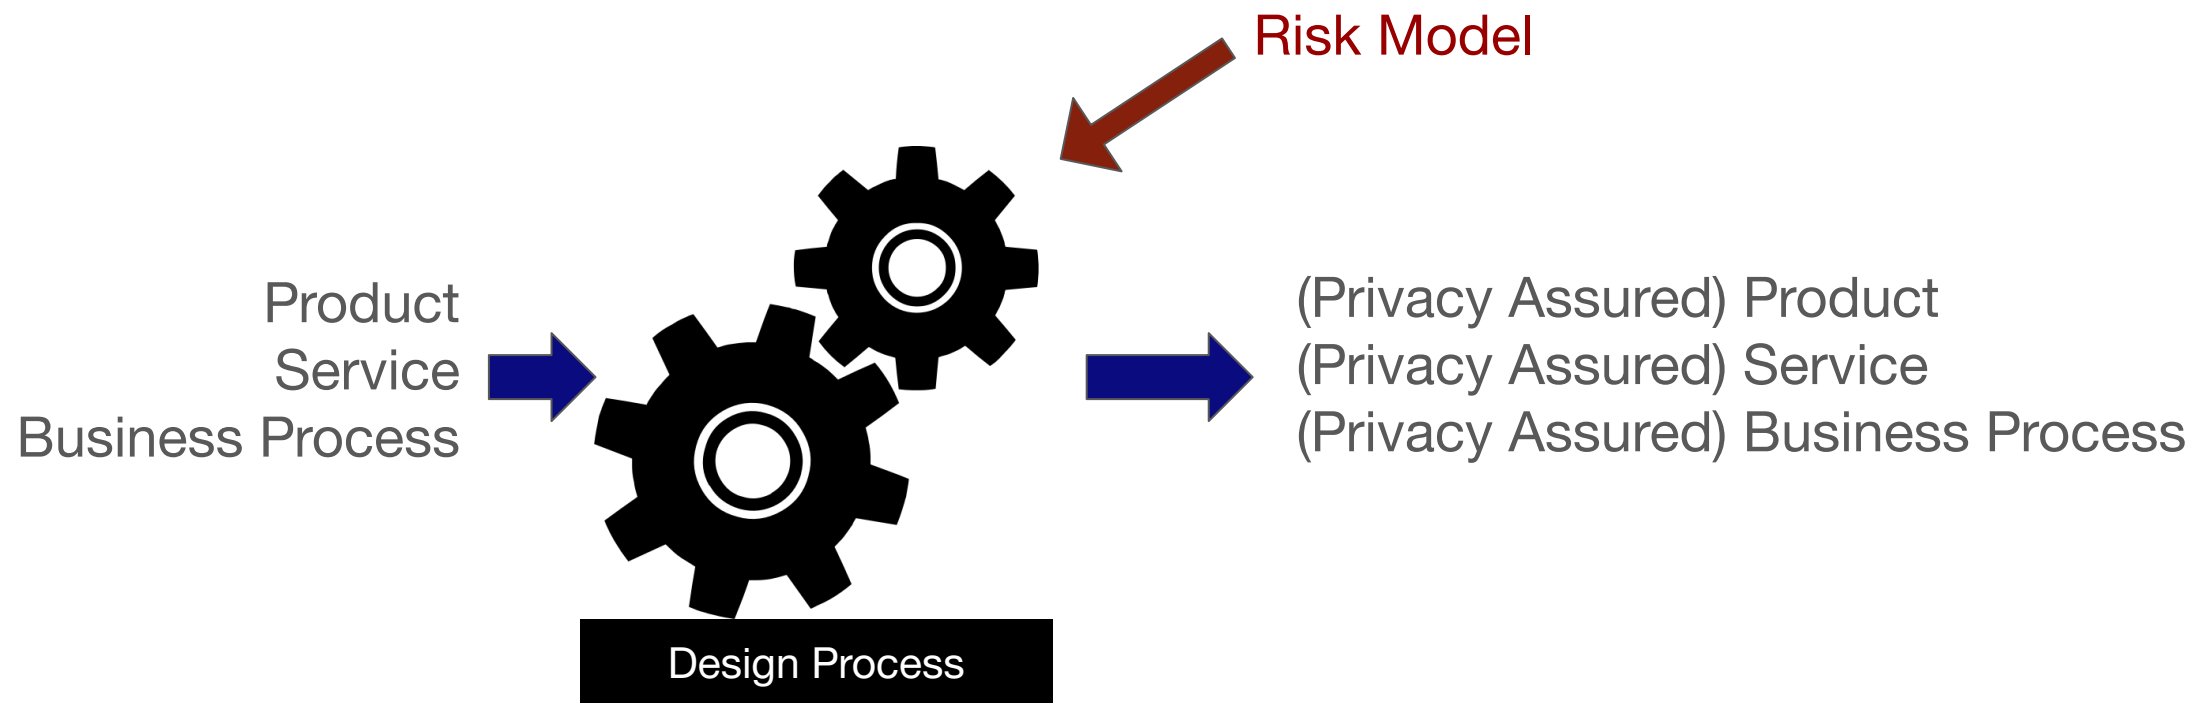

Structure: an assurance case with a root claim that (1) privacy has been designed into the product, service or business process and (2) configurations are privacy respecting. Includes nine sub-claims supported by argument and evidence.

Standards

Design Process Standard

Design Assurance Standard

Standards Committee
