Standards Committee

Standards Committee

- **Chair:** Nandita Narla
- **Next Meeting:** March 20, 2025
- **Membership:** **Open for 2025**
- **Accomplishments:**
 - Design Process Standard
 - Design Assurance Standard

Standards

Design Process Standard

Scope: an organization's design process for products and services*

Published: January 2023

Structure: two organizational prerequisites (risk model and governance) and six design process components

Design Assurance Standard

Scope: an organization's products and services*

Published: February 2025 (PENDING)

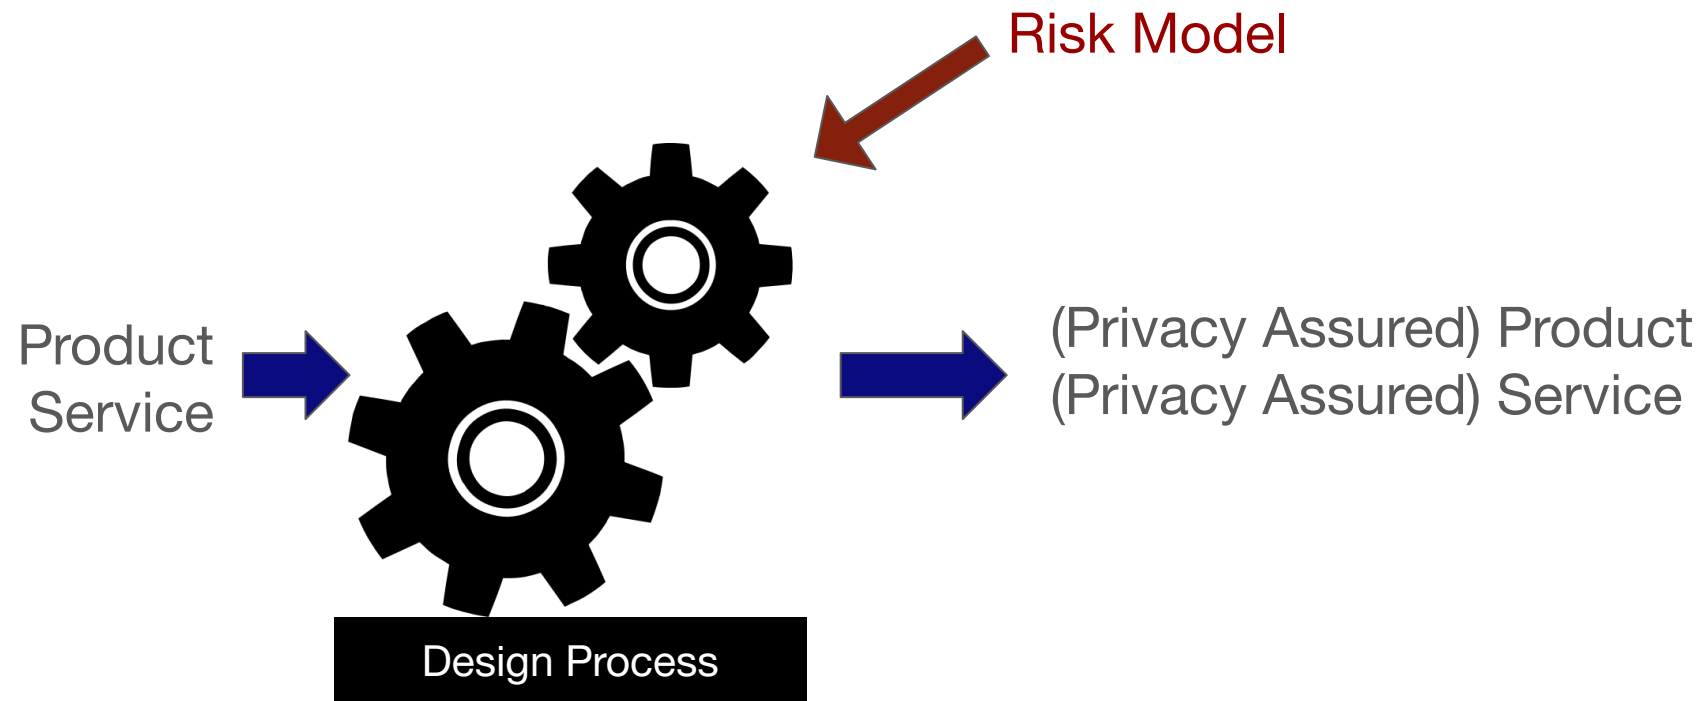

Structure: an assurance case with a root claim that (1) privacy has been designed into the product or service and (2) defaults are privacy respecting. Includes nine sub-claims supported by arguments and evidence.

Standards

Design Process Standard

Design Assurance Standard

Standards Committee
